

PARENT/GUARDIAN SUPERVISED DRIVING CHECKLIST

Guidance on Driver and Traffic Safety Education

in Response to COVID-19

issued on August 26, 2020

by the New York State Education Department (NYSED)

Because of the flexibilities allowed to schools and districts for scheduling in-person instruction, remote or hybrid learning in the 2020-2021, NYSED, in consultation with the New York State Department of Motor Vehicles (NYSDMV), has determined that for the laboratory (in-vehicle) portion of the instruction, programs that began in Spring 2020 now have the option of allowing students to complete the 24 hours of instruction (6 hours behind the wheel and 18 hours of observation), under the supervision of a parent/guardian holding a valid NY State Driver's License.

Bishop Loughlin High School has prepared a Parental supervision this guide that includes applied practice and observation skills and a CHECKLIST and DRIVING LOG which will assist parents/guardians in the documentation and completion of this in-vehicle requirement. Upon completion of this instruction the parent/guardian must submit a certification of applied practice hours and observation time as well.

Students will be issued the MV-285 Certificate of Completion at the end of our 18 weeks by attending weekly classroom instruction completed REMOTELY and the submission of the Parental/Guardian Supervision Driving Log and Certified Hours of applied practice and observation.

TEACH YOUR SON OR DAUGHTER TO DRIVE FOR LIFE

PARENTAL/GUARDIAN CHECKLIST

Please keep a copy of this HANDY CHECKLIST in your car and use it to remind you which aspects of applied practice and observation you need to address with your son or daughter you are supervising.
